How to Complete an ABGC Continuing Competence Learning Scenario

1. Login to your ABGC recertification application.
2. You will now see a **learning scenarios** section of the application.
3. Select the **add activity** button to access the learning scenario activities.
4. Once you have added the scenarios to your activities, your application will look like the following screenshots.

Please note: You will be able to see multiple learning scenarios at one time, but all may not be available. You will see when they become available under the **available on** column header.

5. Once a scenario is available, click the three dots next to **check available date**. From there, you will see the **access learning scenario** button.

6. In order to start the scenario, select **begin assessment**.

- Once you begin, you will see the prompt (which stays consistent with every question) right below the **Scenario 1** title.
- Below the **learning scenario** blue ribbon, you will see the questions for you to consider.

Scenario 1

As a fieldwork supervisor, you are observing a second year student who is leading the session. The client makes a blatantly racist comment directed at your student.

Learning Scenario (Incomplete)

3 If you were thinking of directly addressing the comment, then you notice the student is visibly upset, how likely would you be to address the comment?

☐ Very Unlikely
