

Professional Activity Credits (PACs) Form

Post-Graduate Education

PACs are awarded for participation in a variety of professional activities determined by ABGC to promote educational development.

Post-Graduate Education:

- 0.1 PAC for each credit hour of graduate degree coursework related to a practice-based competency for genetic counselors.
- **Max 1 PAC per year.**

Required Documentation:

Complete PAC form — Document titles and dates of all graduate courses. All activities must be related to practice-based competency for genetic counselors.

Graduate Course: _____
