

Professional Activity Credits (PACs) Form

Teaching

PACs are awarded for participation in a variety of professional activities determined by ABGC to promote educational development.

Teaching:

- 0.1 PAC per hour of teaching. Must be a graduate-level course in an area related to a practice-based competency for genetic counselors.
- 0.05 PAC per hour of educational outreach activity in an area related to a practice-based competency for genetic counselors.
- 0.1 PAC per hour for giving a continuing education presentation (e.g., CEU or CME) in an area related to a practice-based competency for genetic counselors.
- 0.5 PAC for coordinating/directing a graduate level course related to a practice-based competency for genetic counselors.
- **Max 1 PAC per year.**

Required Documentation:

Complete PAC form — Document titles and dates of all graduate courses, educational outreach, CEU presentation or coordinating/directing a graduate-level course. All activities must be related to practice-based competency for genetic counselors.

Title of Course/Educational Outreach/
CEU Presentation/Coordinating: _____

Dates of Course: _____
